The image shows the interior of a Teppanyaki restaurant. On the left, a tall metal wine rack is filled with various bottles of wine. In the center, a sign on a glass partition reads "TEPPANYAKI". To the right, a long, dark, curved bar with a ribbed base is set up with several black chairs. The bar is equipped with various glassware and bottles. In the background, a kitchen area with stainless steel surfaces and equipment is visible. The lighting is warm and modern, with recessed ceiling lights and pendant lamps. The overall atmosphere is clean and professional.
