

Official name of the hotel : **Domes of Elounda Boutique Beach Resort**
Official category : **5 star**
Description : Consisting solely of unique design suites and villas, Domes of Elounda Boutique Beach Resort, offers guests the true Mediterranean experience, connecting luxury to natural environment and local culture. The resort introduces a new concept, holistically capturing the essence of all that is Mediterranean and bringing it to life in the form of a luxury resort.
 This is a new luxury one isn't afraid to touch, one you can live in, and one with extraordinary character that allows you to remain in sync with the landscape of Greece while enjoying world class accommodation. The attraction to the sea and vibrant culture of Crete has naturally created a feel that blends the magic of the Mediterranean with an alternatively traditional, yet human luxury.
 Minimally interfering with the natural habitat and harmonically blended with their surroundings, the domed structures emerge from the ground, respecting its natural contours and creating a settlement on a hillside of flower gardens, stone pathways, and olive groves. Each suite and villa finds its roots in architecture from Greece, Carpath and Syria, borrowing features such as domed and pyramidal ceilings that cool rooms capturing sea breezes, and create a new architecture of organically shaped living spaces at a human scale.
 Mild earth tones are found throughout, embellished with works of art from internationally recognized art houses as well as one of a kind pieces from local artists. Breathtaking views of the sea and the Venetian castle on the island of Spinalonga are part of this new design inviting the senses to feast on sights, scents and tastes from the rich outdoors through large windows, and spacious verandas. Domes of Elounda Invites you to immerse yourself in the pageantry of one of the world's most vibrant cultures, that of Crete.

DOMES SOMA SPA

Description :

A hideaway in the heart of a land and culture that discovered the necessity of spa, and set the standard for modern spa procedures over 3000 years ago, Domes Soma Spa is truly the secret of Domes of Elounda. A black mosaic seawater pool, surrounded by large tinted glass panels welcomes you to the spa. White Filifili lighting fixtures by Martinelli float above while objects and furniture by Moroso, Serralunga, and Bonaldo epitomize our new luxury.

The areas of treatment, sauna and hamam, achieve isolation, relaxation and create a Zen environment. Organic shapes and curvilinear surfaces are covered by ceramic mosaic in dark metallic tones abolishing any sense of boundary. As one lies in the candle lit black and gold glimmering hamam everything falls into place. Combined with soothing music, one loses touch with the outside world achieving a spiritual sensation that cannot be put into words. Domes Spa restores what has been lost, delivers absolute peace and offers completeness.

The ceremony of true spa treatment in the only facility in the world where groundbreaking treatments combine the newest techniques with secret methods of the ancient Greeks using the same Mediterranean waters used throughout the ages.
